

WCA UPDATE JUNE-14-16

From Nancy Rose:

Hi Friends!

Our July lunch bunch will be at Nancy Groff Witton's on July 11th. Does her name sound familiar? Nancy seems to always be winning awards somewhere! Nancy has more recently started to paint larger and more abstract. Her abstract at our June Lunch Bunch created a round of applause. I can't wait to see all her older and newer pieces in one place! Please arrive between 11:00am and 11:30 am on July 11th!

Please RSVP to Nancy Groff Witton :Phone/Text#: 941-408-6089

Directions to her home at 12615 Cara Cara Loop, Bradenton as follows:

From Nancy Groff Winton

I live in GreyHawk Landing which is off SR64 east of I75. (Note: the entrance to GHl is set back from the road so watch carefully. It is the next left turn after the Peace Church entrance.)

Coming from Venice or Sarasota via I75 take exit 220A. Turn right onto SR64. The entrance to GreyHawk Landing is approx. 3.5 miles on the left.

Coming from Lakewood Ranch/University Pkwy take Lakewood Ranch Blvd. north, turn right onto SR64. The entrance is approx. 1 mile on the left.

From Bradenton take SR64. The entrance is approx. 3.5 miles past the I75 interchange on the left.

Once through the gate go straight, at the 3rd stop sign turn left onto Cara Cara Loop. The house is the first one on the right past the bend in the loop.

NOTE: if you use GPS it will try to send you to the entrance on Upper Manatee River road. There is no guard at that gate. You must come in via the SR64 entrance.
