LUNCH BUNCH September 12th (note the date...pushed back because of Labor Day) at Nancy Rose's home

From Nancy Rose

Hello Friends!

Our September Lunch Bunch will be at my home. Come see my hand painted kitchen floor and studio rug! My husband and I are both artists so you can see a combination of his pen and ink and acrylics and my watercolors and acrylics. We live walking distance to the Venice Art Center, on the island, in North Venice. This is usually the smallest Lunch Bunch of the year, and the last and most intimate time for year rounders. Please arrive between 11:00 and 11:30 and RSVP to me;

cornfrog@gmail.com.

See you there!!

Directions:

Take the Jacaranda exit off 75. Turn left onto Jacaranda if coming from the south and right if coming from the north. Turn right onto Venice Ave. Travel a few miles over the bridge to the Island of Venice, through the cute historic downtown and turn left onto Harbor Drive, after the Post Office. Continue down Harbor and turn right just before the median palms end, onto a small street, Everglades Drive. The house on the left closer to the water and has a " nana blue" hand painted mailbox and a nana blue door. You don't even need the house number, but it's 505. You can also take 41 to get here from the north and turn right onto Venice Ave after you go over the bridge. Then follow directions to turn onto Harbor drive.

Trish Robbins will host on **October 10th**, pushed back due to the Jewish Holiday. more to follow

From Patti Haarz

I painted a dog sculpture for the SE Guide Dogs. My dog is called Hawkeye: a romp thru the garden. The awards are at Sarasota Opera house the 24th of Sept. and all 55 dogs will be on view for everyone the 7 and 8th of Oct. on Palm Ave. The street will be closed for everyone to enjoy the celebration and see all the dogs at one time.

Also I held the Christmas party last year (I think I had 140 members!). I wanted to just announce that the house will be for sale in October, there were some members that asked.
